

DISCOUNTED T-SHIRT

The **ULTIMATE** iguana T-shirt design is a slow, handmade process. First, the front and back is inked with the design. Then the hardest part is filling in and aligning the design on the side of the shirt with the front and back design. 99% of the time the graphic guy hits his mark, and these are the shirts sold for \$17.00 each.

Right now we have a pile of shirts where the design is off 1/8"—1/2". This misalignment of the tail is located at the armpit of the T-shirt so it can hardly be seen.

Now you have a chance to buy one of these slightly irregular printed shirts for \$14.00 (save \$3.00) each. Dunthorpe Press can't sell damaged goods so we have switched this special sale over to the author, Jim Hatfield. To buy the shirt(s) you will need to get a money order (you can get these at the U.S. Post Office, convenience stores, etc.) for the amount listed below.

There are NO large or medium sized shirts left — ONLY extra large shirts and only about 40 X-large shirts are left. If you are interested in one of these discounted shirts, now is the time to buy, as they won't last long.

PLEASE, no personal checks. No personal checks can be accepted—sorry. Make the money order out to: **Jim Hatfield** and mail it to: **Dunthorpe Press, Attn: Special T-shirt offer, P.O. Box 807, Ashland, OR 97520**. Please allow 1-2 weeks for delivery.
