<b>2. Iguanas as Pets</b>	<b>99</b>
Is an Iguana Right For You?	99
Important Considerations of Iguana Ownership	101
Who Are Iguana Owners?	106
Why People Own Iguanas	107
Pet Behavior	118
Personality	118
Affectionate?	121

- Curiosity 123
- Determination 125
- Breaking Barriers 126
- 3. Choosing Your Pet 127**
  - Required Preparation Before Purchase 127
  - Where to Get an Iguana 129
  - How to Choose the Best Iguana 137
  - Farmed-Raised vs. Wild-Caught 147
  - Size Options: Hatchling, Juvenile, Adult 149
    - Hatchling 150
    - Juvenile 151
    - Adult 154
  - Male vs. Female 161
  - How to Get Your Iguana Home 161
  - Once Home (Overview) 163
- 4. Housing 165**
  - General Housing Considerations 165
    - Use the Wild as Your Guide 165
  - Habitat Options 167
    - Terrarium (Aquarium): For Hatchlings Only 167
    - Ultimate Iguana Habitat™ 168
      - Design Principles of the Ultimate Iguana Habitat 169
      - Getting a Habitat Built 176
    - Alternative Housing 176
  - Habitat Equipment 178
    - Lights 178
      - Photoperiod 179
      - Sunlight 179
      - Artificial Lighting 182
      - Alternative to UV: Dietary Supplements of D<sub>3</sub> 185
    - Heat 185
      - Ceramic Heater 186
      - Heat Bulbs 188
      - Hot Rocks (A Commercial Product) 191
      - Heating Pads 192
      - Heat Strips, Cables, and Tape 193
      - “Self-Regulating” Heat—The Iguanamometer™ 194
    - Cooling 195
      - Ventilation 195
      - Humidity 196
    - Sensors 196
      - Thermometers 197
      - Thermostats 197

- Automatic Timers 197
- Environment System Controllers 198
- Multi-Plug Device 198
- Habitat Environment 198
  - Climbing and Resting Areas 199
  - Plants: Real vs. Artificial 203
  - Substrate Options 205
  - Rocks 216
  - Hide Box 216
  - Food and Water Containers 218
  - Enriched Environment 219
- Cagemates 225
  - Another Iguana 225
  - Non-Iguana Cagemates 228
- Outings 230
  - Loose in the Home 230
  - Non-Caged Habitats 232
